

Allstate cyber safety

What is Allstate Cyber Safety for Kids?

Protecting kids online is more important than ever. Allstate Cyber Safety offers a fun and educational way to teach kids ages 8-9 about online safety.

Our goal is to give every child the knowledge and tools they need to navigate their online world safely. That means being safe online and knowing when to...

Discover the engaging world of Allstate Cyber Safety training!

Led by two Allstate expert presenters, our interactive sessions, whether in-person or virtual, delve into essential topics for one hour.

Join our Cyber Safety characters, Sid, Sophie, and Scruff, as they educate and empower on three crucial subjects:

FRIEND OR PRETEND!

Beware of talking to strangers online

BEWARE WHAT YOU SHARE!

Know the dangers of what you share

DON'T BE MEAN ON SCREEN!

Help stop cyber bullying

Throughout the session we reinforce the message to:

Stop

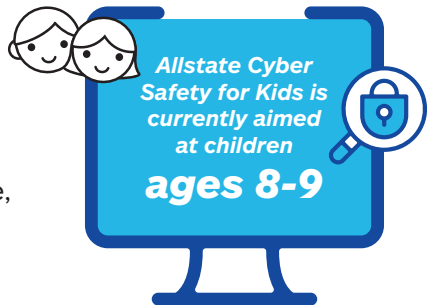

Think

Tell

What happens after the session?

Each child will receive a Cyber Safety swag bag. Inside, they'll find a workbook filled with engaging activities related to the session's key topics. This workbook can be enjoyed both in the classroom and at home, empowering children to reinforce their knowledge and stay safe online.

Why should your school sign up?

Empower children with essential Cyber Safety skills for a secure online journey. Cyber Safety training helps give children the tools they need to be safe online. As well as that, every session is interactive, fun and informative for children and teachers!

How do I sign up?
